Changes—Without changes, life would be nothing but time. One could only go through life expecting nothing to happen; nothing to make him happy or sad, stronger or weaker. If nothing can be altered, then no one person could become what he or she wanted to be, and therefore, we wouldn't have the individuals who in their own way combine to bring developments and ideas into a world that constantly searches for ways to better develop itself and its people.

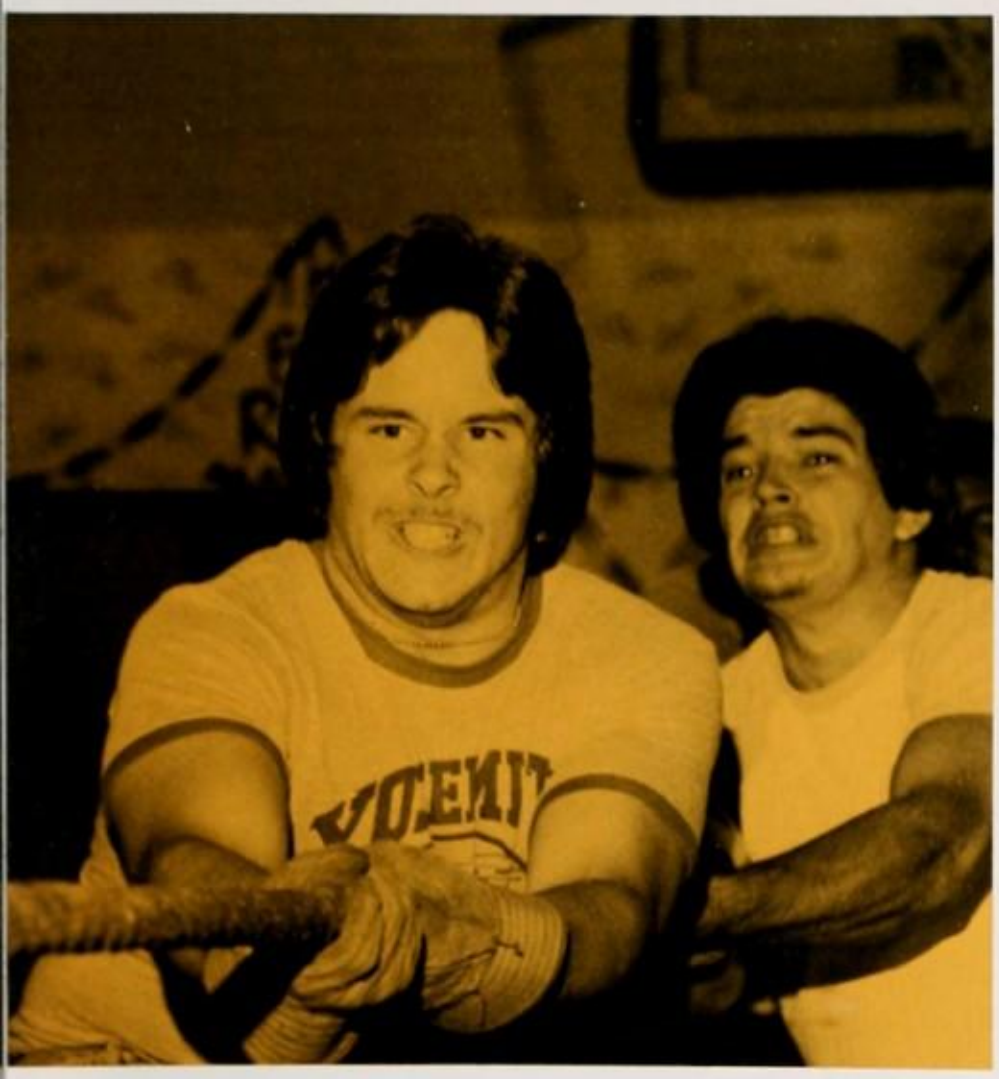
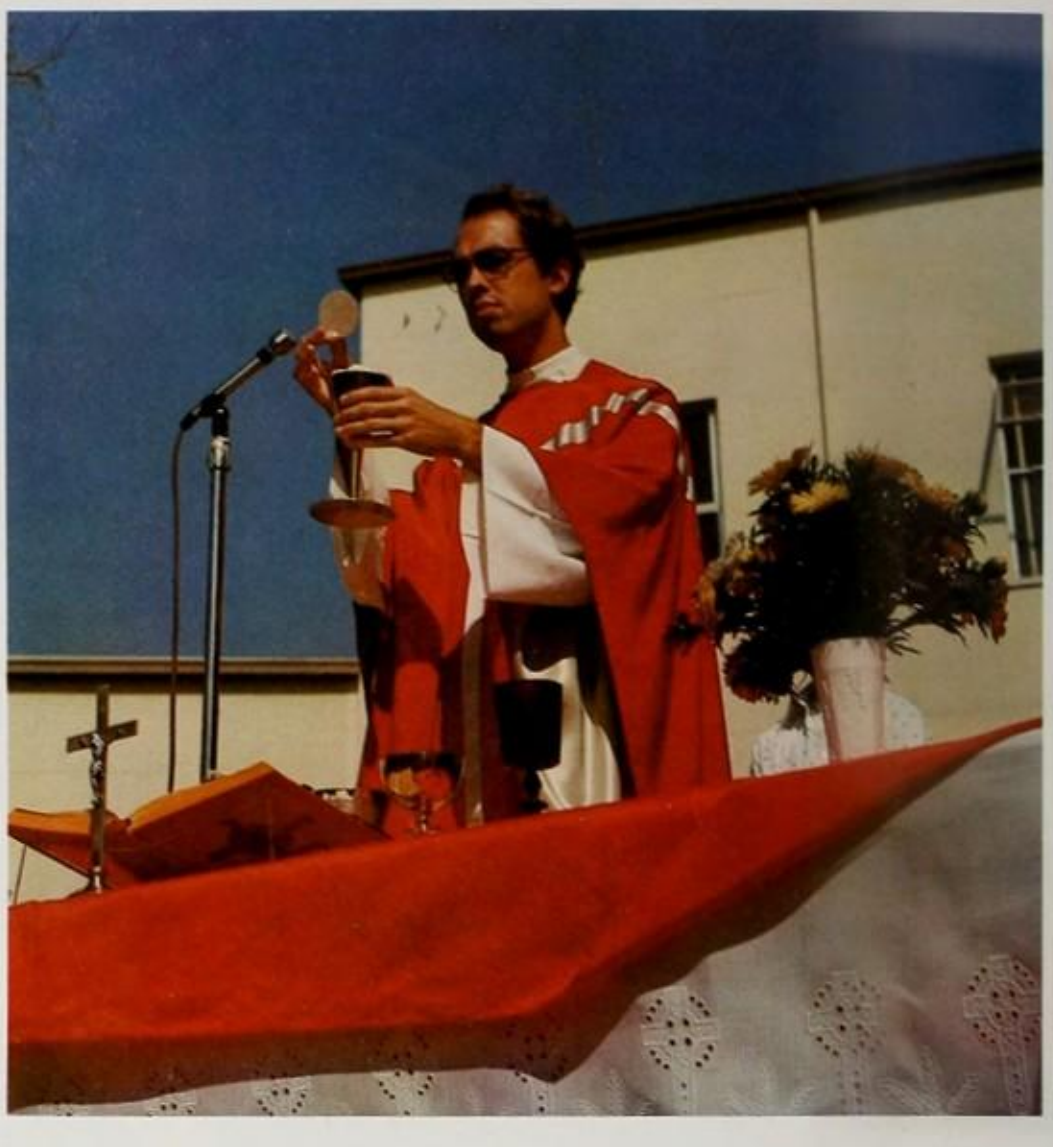
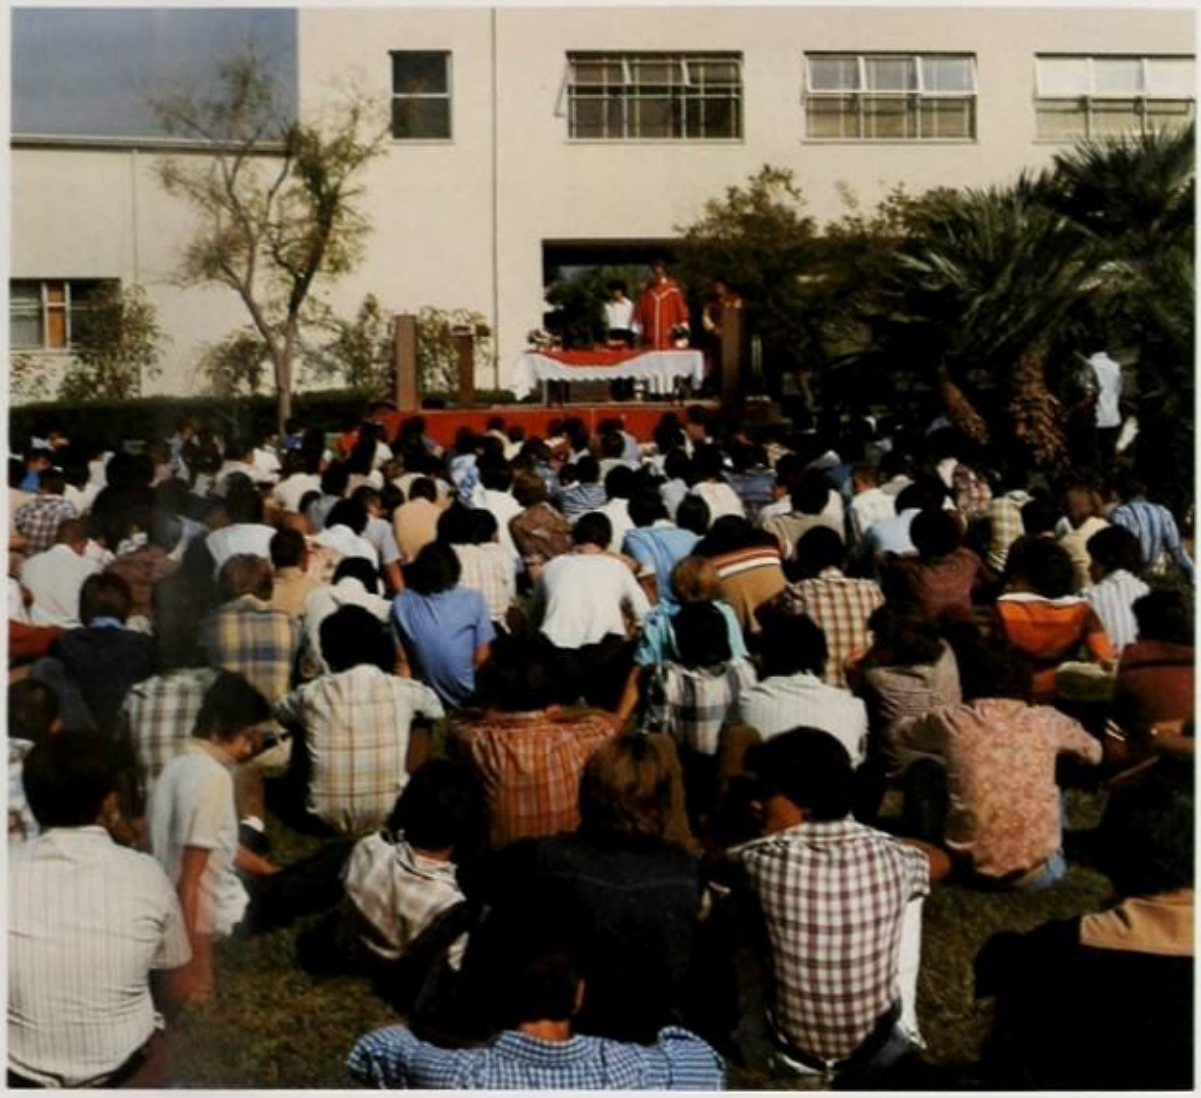
# WE DID SOME CRAZY THINGS



CALDWELL
STUDENTS





As people go through life, their looks, interests, and ideas change to help them develop into the people that will be the doctors, lawyers, and athletes of tomorrow. Some things however, may never change. While boys change into men, and ideas become reality, the so-called "times-of-your-life" never change from what they were, but instead occupy a space in the back of your mind and are called upon whenever we feel a need to remember how it was.

Moderator's Notes:

This has been a very long year for the "Veritas" staff. Financially, the cost of putting out a yearbook keeps going up each year. We realized the difficulties in putting out the 1979 yearbook back in June of 1978. Though we wanted to maintain a moderately priced yearbook, we didn't want to sacrifice quality at the cost of affordability. The price we finally decided on charging the students at Cantwell struck a bargain between giving a high quality yearbook at a cost within the means of most students. Though most felt the price of the book was high, we on the "Veritas" staff believe that our final product was well worth the cost.

I want to give special thanks to Joe Campitiello, Randy Sanchez, Paul Tavianini, Gary LaFrenais and all those students who put time and effort in producing the 1979 "Veritas". Without their assistance, the yearbook would not have been as successful as we planned.

Brother Varilla
Moderator

Editor-in-Chief's Notes:

Fellow graduates, it's about time this book was completed!! You would not believe the amount of time, strain and hassle we have gone through to bring this publication to you. I would like to thank Br. Varilla who spent many insane times with us and who helped us fulfill our commitment to you and the school. I hope you all enjoy it.
